Community Outreach and Knowledge Translation

1. **Rosen, N. O.**, Vannier, S.*, and the #postbabyhankypanky team (Feb., 2018). Launch of the #postbabyhankypanky video series promoting the sexual health of new parents. Halifax Public Library, Halifax, NS. This knowledge-sharing initiative included 5 brief videos, each highlighting a key message from our CIHR and NSHRF-funded research on postpartum sexuality. I hosted a community event for screening the videos and a panel discussion with experts and parents on February 12, 2018, which was attended by over 100 people (in-person and live-streamed). The videos were then shared widely via social media and our professional networks (e.g., Reproductive Care Nova Scotia). This initiative is ongoing.
2. **Rosen, N. O.** & Vannier, S.* (Oct. 2016). Sex after baby: Adapting to changes to in your sexual relationship during the transition to parenthood. Baby Expo, Halifax, Nova Scotia. We presented a 30-minute session on postpartum sexuality that was attended by approximately 30 expectant and new parents attending the Baby Expo.
3. **Rosen, N. O.** (Feb., 2016). Moderator for community event entitled "Taking Care

- of Down There: Let's talk about Vulvar Health". Halifax Central Library, Halifax, Nova Scotia. I hosted and moderated a multidisciplinary panel of local experts including a gynaecologist, pelvic floor physical therapist, sex educator and psychologist. Each speaker gave a brief talk from their area of expertise on the topic of women's vulvo-vaginal health and invited questions from the audience, followed by a larger panel discussion. I gave several media interviews to promote the event in the week prior. Approximated 65 people attended. This was the inaugural event of a biannual series on women's sexual health.
