

POST BABY HANKY PANKY? FOR SOME WOMEN, IT'S PAINFUL.

Pain during sex in pregnancy and postpartum is common, you might wonder: **“Is this normal?”**, **“how long will the pain last?”**, and **“what can help?”**

> [Obstet Gynecol.](#) 2022 Mar 1;139(3):391-399. doi: 10.1097/AOG.0000000000004662.

Trajectories of Dyspareunia From Pregnancy to 24 Months Postpartum
